LETTER

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sirs:

In regards to the above-referenced application, please note that the Serial Number on the postcard is different than the Serial Number on the Notification of Missing Requirements. In an effort to correct this error, my assistant, Jennifer K. Hardin, spoke with Paulette R. Kidwell on May 30, 2002 and on June 14, 2002. Paulette advised us that we should use the Serial Number assigned to the Notice of Missing Requirement, which is 10/049,399 and not the Serial Number on the postcard, which is 10/049,[4]99. Please confirm the correct Serial Number to use for this PCT application.
